THE BURNT CHEF
PROJECT

The **Burnt Chef Project** is a non-profit campaign operating within the hospitality industry to challenge mental health stigma through training and open conversations. We are working closely with them to support our teams welfare and spread the message far and wide.

Our Suppliers & Producers

We care immensely about the quality, provenance and seasonality of the produce we buy, and work with suppliers and producers of the same mindset, striving to be sustainable, with complete traceability.

These guys share our passion and we're very proud to work with them, sourcing some of the best produce from around the South West and delivering it fresh to our kitchens six days a week...
