BRANDS BEHIND OUR COCKTAILS

Caleño

Caleño is a range of tropical non-alcoholic spirits that bottles up the vibes of Colombia. Born from founder, Ellie Webb's, frustration with tap water on her alcohol-free nights out, Ellie began her mission to create tropical and fun-filled non-alcoholic drinks to enjoy, inspired by her homeland. She danced and distilled in her kitchen until Caleño tropical non-alcoholic spirits were born, and they haven't stopped spreading the joy since.

Sapling

Climate positive British spirits on a mission to lead the way on sustainability and tackle climate change through reforestation, all whilst putting a positive message behind a serious movement. For every bottle of Sapling sold, one tree is planted. From woodlands in Scotland, to urban orchards in Bristol and London, all of their projects are to the benefit of local communities.

Kraken Rum

Bold, rich, black and smooth, Kraken is an imported rum from the Caribbean blended with secret spices. The largest shipment of Caribbean black spiced rum was said to be brought down by the Kraken, the sea monster of myth and legend, and the rum was named in its honour, as it was as dark and mysterious as the beast's ink.
