OUR SUPPLIERS

We are proud to work with some of the best suppliers, farmers and producers across the UK, bringing British and seasonal ingredients to our kitchen.

All our meat is high welfare and sourced from UK farms. We are particularly proud of our Aberdeen Angus x Hereford beef from Tim Johnson's farm in Wiltshire and we have chosen to hero this on our menu and specials board.

We source all our seafood sustainably from the Direct Seafoods depot in London from the Devon coast, and from award-winning fishmonger Rob Wing, based in St Mawes, Cornwall.

Our fruit and vegetables come to us from British growers in the south west – our Butcombe heartland – and through New Covent Garden Market.

Our long-standing relationships with the finest producers are featured throughout our menus; Granny Gothards' award-winning ice creams and sorbets from Devon, Harvey & Brockless fine foods from London, and Symplicity Foods, who make one of the best plant-based products on the market.

(v) Vegetarian, (ve) Vegan, (veo) Vegan option available. Ask about gluten-free options.

Scan the QR code for allergen and nutritional information.

Please let us know about any allergies or dietary restrictions before ordering. As we cook fresh on-site, all allergens are present in our kitchens and some of our ingredients carry "may contain" warnings. Because of this, we cannot guarantee that menu items will be completely free of a specific allergen; however, we will do everything we can to accommodate you.

A discretionary service charge of 12.5% will be added to your bill and split between today's team.
