The Bar Room (Semi-private Area)

Located just off the main bar, The Bar Room is an intimate, semi-private event and dining space that can accommodate up to 12 people seated – perfect for business meetings or private dining. The curtains can be drawn to comfortably tuck you away from the main bar or you can choose to tie them back to allow the gentle atmosphere from this countryside pub to flow through your event. A large TV screen and cables are fitted to support your meeting or can be kept behind a board to cherish the room's warmth and charm.

All our menus can be served to you in The Bar Room for a private dining experience. Enjoy delicious dishes off our Main Menu or talk to a member of the team for your own, bespoke menu options. Our helpful staff here at The Trout will be on hand regularly to take your coffee or tea orders so you can be sure to stay well refreshed and catered to during your event.

The Garden Room (Private Area)

The Garden Room is a bright and charming room located at the heart of the pub itself. Overlooking our beautiful garden, this versatile space can be utilised for a number of different events and celebrations, accommodating 20 seated for meetings and between 20-30 for dining. For larger socials, The Garden Room can accommodate up to 50 people standing for guests to enjoy handcrafted cocktails, award-winning Butcombe beers and delicious bar snacks and nibbles.

Main Bar

As you enter this charming building, you will be greeted by our Trout staff into the main bar. Whether you choose to dine with us or simply enjoy a crisp Butcombe beer or glass of wine, our bright and open bar space invites guests to enjoy and contribute to our warming atmosphere.
