She danced and distilled in her kitchen until Caleño tropical non-alcoholic spirits were born, and they haven't stopped spreading the joy since.

Sapling

Climate positive British spirits on a mission to lead the way on sustainability and tackle climate change through reforestation, all whilst putting a positive message behind a serious movement. For every bottle of Sapling sold, one tree is planted. From woodlands in Scotland, to urban orchards in Bristol and London, all of their projects are to the benefit of local communities.
